13 JUL 1984

Mr. Gary D. Liming
Deputy Assistant Administrator for Intelligence
Drug Enforcement Administration
1405 I Street NW
Washington, D. C. 20537

Dear Mr. Liming:

I want to thank you for your letter of 6 June 1984 on Mr. [redacted] tour of duty with you. It is always a delight to read such kind words about the performance of one of our officers, and it is clear to me that [redacted] detail to the Drug Enforcement Administration has served well all of its purposes. 25X1

Although we can not spare [redacted] services for another year, as you request, we are pleased to nominate another of our finest officers to replace him. I propose [redacted] for this assignment. 25X1

[redacted] succeeded [redacted] as Deputy Chief of the Economic Resources Division of the Office of Imagery Analysis and this April became acting chief of that division. In these positions [redacted] has developed and coordinated OIA's research program on illicit-drug processing and trafficking. He directly oversees the production of finished intelligence on drug-related issues of concern to policymakers and manages OIA's analytical and operational support for the overseas activities of U.S. drug enforcement agencies. [redacted] has 21 years of experience with Agency. 25X1

[redacted] will be available for this assignment in October 1984. As with the previous detail, the assignment will be on a non-reimbursable basis for a period of one year. Administrative questions concerning this assignment should be directed to Mr. [redacted] DDI Planning and Management Staff, at [redacted] 25X1

[redacted]
Richard J. Kerr
Associate Deputy Director for Intelligence
